Dear resident,
November has certainly crept up on us rapidly this year, in fact, is it just me, or have you found this whole year so far has gone quite quick?

With the festive season nearly upon us, look out for various craft fayres and events happening in the village and surrounding area, a good chance to find an unusual present or pick up a bargain. There's plenty of events coming up at the Millennium Centre and Sports Pavilion.

Whilst driving through the village recently, there are more housing developments that are springing up, including the one on Turnpike Road. Soon, we will have over 3000 properties in the village! With that in mind, we are on the lookout for a couple more people to help deliver and distribute the magazine each month. Without your help we will be unable to deliver to all areas of the village, which will be a shame, as a lot of work goes into producing the magazine each month, and everyone who helps with the magazine volunteers their time. So, if you think you can spare an hour or so each month, then please get in touch.

Have a good November.

Darren

Bury Saints American Football Team makes their home in Red Lodge

Red Lodge Parish Council is pleased to announce that the Bury Saints are coming to the Pavilion next year, which they will use as their home base.

In the meantime the Saints had their first recruiting session on October 7th with a good successful turnout - seems like there is some potential talent right here in Red Lodge.

More recruiting/training sessions will be carried out during November - keep an eye on their website for dates to be released.

No experience is required to join up, but please note that at the moment the team is for Adults only.

Come along for a tryout:
11th November - 11:30
25th November - 11:00

NEXT ISSUE: The next issue will be published 1st December 2018. The copy deadline for all editorial and advertising is 15th November 2018.

The editorial team, designers, printers and the many people who help do deliver the Turnpike are all volunteers. Although we try to deliver on time each month, sometimes it may be a couple of days late, but please do bear with us.

Advertising in The Red Lodge Turnpike Newsletter

The Red Lodge Turnpike Newsletter is a not-for-profit community magazine, produced by volunteers.

It is distributed to all residents of Red Lodge. Circulation 2500.

At present, the magazine's advertising revenue is its only source of funding. Residents and non-residents rates.

We are now getting funding from the Parish Council so that we can print the magazine in colour each month.

West Row Indoor Bowls Club

Did you know there is a three rink indoor bowls club in West Row?

Just so there is no confusion this is flat green bowling and not the type with large bowling balls and 10 pins. Although bowls is normally considered as being for the older generation it is actually one of the few sports that is suitable for all ages and where everyone can play on an equal footing and have fun. There are already a number of Red Lodge residents who are members of the club and play regularly.

The indoor season runs from September through to March and new members are always welcome. If you are new to bowls and fancy giving it a try we do hold beginners / taster sessions on Wednesday evenings at 6.00pm. A warm welcome is guaranteed and you only need to come in casual clothing as shoes, bowls etc can be provided by the club. Fully qualified

coaches are available to explain the game and give advice. In the past some of our junior players have gone on to play at County and even International level.

Experienced bowlers are also always very welcome to join us.

The Club also runs a number of internal leagues and competitions and arranges friendly matches with other indoor clubs in the area so there is always a chance to take part in these if you enjoy the taster sessions and wish to play more games

So if you fancy taking up a new sport why not pop along on a Wednesday evening and give it a go? The Club is located in Beeches Road West Row (IP28 8NY) near the village hall and playing field.

MORGAN SINDALL CONSTRUCTION & INFRASTRUCTURE CELEBRATES COMPLETION OF £4.9 MILLION SUFFOLK PRIMARY SCHOOL

Morgan Sindall Construction & Infrastructure has celebrated the successful completion of the new Pines Primary School in Red Lodge, Suffolk with a ribbon-cutting opening ceremony.

The project for Suffolk County Council includes reception, year one and year two places, with pupils having already joined the school at the beginning of this academic year.

It also includes the Pine Cones Pre-School, which offers childcare for two to five year olds, alongside the existing one-form entry primary school.

The new school was successfully completed on time and on budget at £4.9 million, providing first-class facilities for 210 pupils in the Red Lodge community.

The brand new school was opened by guest of honour, Tony Mitton. The award-winning children's author, whose poetry is irresistible to children and adults alike, cut the ribbon at the

Councillor Gordon Jones, Suffolk County Council's Cabinet Member for Children's Services, Education and Skills, said: "The Pines school is a fantastic new facility. This is a very proud moment for everyone - staff, governors, pupils, parents, carers and, of course, Suffolk County Council.

"The school makes a significant investment in education in the west of the county. Children will benefit from first class facilities that will help them reach their full potential."

Head teacher at the Pines, Kerry Darby, said: "We are delighted with the outcome of our new school. The completed state-of-the-art building has surpassed our expectations and is allowing us to deliver an enriching and engaging curriculum for all our current and future 'Pines Pioneers'.

"We are proud to open what we believe will become an outstanding educational facility and are honoured to be joined by members of the Red Lodge and Morgan Sindall Construction & Infrastructure communities for our special opening ceremony.

The Pines and Pine Cones Pre-School have places available and potential parents are welcome to contact the school office for more information and/or to arrange a tour.

St Christopher's Church

As we remember.

The phrase "Lest we forget" is commonly used in war remembrance services and commemorative occasions in English speaking countries, in particular on 11th November Remembrance Day and sung as a hymn in New Zealand and Australia on 25th April ANZAC Day remembering members of the Australian and New Zealand Army Corps who fought at Gallipoli against the Ottoman Empire during World War One. Before the term was used in reference to soldiers and war, it was first used in an 1897 Christian poem written by Rudyard Kipling called "Recessional". The phrase occurs 8 times; and is repeated at the end of the first 4 stanzas in order to add particular emphasis regarding the dangers of failing to remember.

'God of our fathers, known of old,
Lord of our far-flung battle line,
Beneath whose awful hand we hold
Dominion over palm and pine—
Lord God of Hosts, be with us yet,
Lest we forget—lest we forget!'

The concept of 'being careful not to forget' was already present in the Bible Deuteronomy 4:7-9):

7"For what nation is there so great, who hath God so nigh unto them, as the Lord our God is in all things that we call upon him for? 8And what nation is there so great, that hath statutes and judgments so righteous as all this law, which I set before you this day?9Only take heed to thyself, and keep thy soul diligently, lest thou forget the things which thine eyes have seen, and lest they depart from thy heart all the days of thy life: but teach them thy sons, and thy son's sons'

Further on we have In Deuteronomy 6:12, "Then beware lest thou forget the Lord which brought thee forth out of the land of Egypt". This Biblical quote could probably be a direct source for the term in the 1897 poem. The main theme of the "Recessional" poem is that if a nation forgets the true source of its success (the "Lord God of Hosts" and His "ancient sacrifice" of "a humble and contrite heart") - its military or material possessions will be insufficient in times of war. It became a plea not to forget past sacrifices, and was often found as the only wording on War Memorials or used as an epitaph.

Earlier this year I had the immense privilege to travel as a member of the Newmarket Community Choir to Ypres in Belgium where we sang at the Menin Gate during the wreath laying ceremony where hundreds of thousands of Commonwealth soldiers are honoured and in those truly emotive moments I also felt a true sense of calm, peace and humility as I recalled how Jesus Christ paid the ultimate sacrifice

for each and every one of us as he was us nailed to a cross for our sins, during a part of one of the church services we eat a symbolic piece of blessed bread which Jesus ate at his last meal, and we use the words 'Do this in remembrance of me,' and we remember that our Lord offered his life for us, to bear our sin and open up the gateway as promised to give us eternal life if we but only choose to live our lives out according to the way of Jesus and Gods laws.

I will leave you with the words of Major Malcolm Boyd, killed in action in France, June 1944

"If I have to say goodbye to stream and wood,
To wide ocean and the green clad hill,
I know that he, who made this world so good,
Has somewhere made a heaven better still.
This bears witness with my latest breath,
Knowing the love of God,
I fear no death."

Jesus loves Red Lodge!
Trevor.

"But thank God. He gives us the victory over sin and death through our Lord Jesus Christ. "1 Corinthians 15:57 (NLT)

Fright Night

The Halloween kids party held on 27 October
was Busier than ever this year. Councillors
dressed up as witches and monsters to keep
the kids entertained, and a good night was had
by all.

The witch's spell this year was all about the
importance of telling the truth and the
consequences of no doing so.

Thank you to everyone who attended and to
our volunteers who were also fairly scary.

1st Red Lodge Scout Group

Some villagers may have seen our Beavers, Cubs and Scouts, with the aid of parents, taking part in a community project in the village. They planted many daffodil bulbs in St Christopher's school grounds and also in areas around Bennett Road, Heatherset Way and Clematis Close. Thank you to Homebase Newmarket for their donation of bulbs and planting tools. Hopefully next spring everyone will be able to enjoy the blooms. We hope to make this an annual project planting in different areas around the village.

At the end of September many of our Beavers went to BeWILDerwood with other colonies from the district. What a FUN day we had, climbing, swinging, exploring, sliding on all the wonderful purpose build structures.

We also built dens and had a boat ride across the lake.

Lots happening in each section on Mondays evenings too.

Beavers have completed a team challenge to construct their own "tent" using just canes, elastic bands and a sheet. Each group had a different idea of how to do it and all were successful. They have also made watermelon pizzas and

healthy sandwiches.

The Cubs have also been constructing, this time a "sedan chair" using a chair, staves and rope. Each six achieved the aim and then had fun taking it in turns to be carried on the chair. Some a bit more precarious than others.

Beavers and Cubs have been visited by Robyn from "Kindhart" with her barn owl Glimfeather. How beautiful he is and everyone got to hold him. Our Scouts have been learning emergency aid including how to use the defibrillator located at Millennium Centre. It's reassuring to know they would know what to do in an emergency situation.

I wonder how many people heard Bear Grylls, the current Chief Scout, speaking on the Radio 2

Here in Red Lodge, I still need to plea for help in our own Beaver colony. We are really struggling with just 1 leader. We can just about manage on a Monday evening but it is beginning to have a big impact on planned extra weekend activities. Can anyone spare some time early on a Monday evening and be available for some weekend activities?
